INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97

Dear Sir:

In compliance with the duty of disclosure set forth in 37 C.F.R. § 1.56, Applicants are submitting herewith a Form PTO-1449 listing certain documents which the Examiner is respectfully

requested to consider and make of record in this application. This Information Disclosure Statement is being filed more than three months after the filing date, but before receipt of the first Official Action on the merits. Thus, it is believed by the undersigned attorney that no fee is required under 37 C.F.R. §1.97(b).

Please note that this application is the U.S. national phase of International Patent Application No. PCT/GB03/04062, filed September 22, 2003. An International Search Report was established by the European Patent Office for this international application and a copy was transmitted to the U.S. Patent and Trademark Office by the International Bureau.

In regard to the German patent document that is listed on the Form PTO-1449, which document is in German, the relevance thereof is indicated in the International Search Report. A copy of an English language counterpart (i.e. Canadian Patent Application No. 2,092,513) of the German Patent document is submitted herewith.

The above-identified international application entered the U.S. national phase after June 30, 2003. Therefore, copies of the U.S. patents and/or published U.S. applications listed on Form PTO-1449 are not included (see O.G. Notice, August 5, 2003).

This submission is not an admission that the references listed on the attached Form PTO-1449 constitute prior art against the claims of this application.

The Examiner is respectfully requested to confirm receipt and consideration of the cited references by initialing and returning a copy of the attached Form PTO-1449 in accordance with MPEP §609.

In the event that a fee is required, the Commissioner is authorized to charge Deposit Account No. 04-1406 of the undersigned attorneys. A duplicate copy of this sheet is enclosed.

Early and favorable consideration of this application
is respectfully requested.

Respectfully submitted,
